

USSSA Fastpitch Roster Rules

New Roster Rules

1. Players may only be on ONE active roster in the sport at a time.
 - a. USSSA and USAES Teams are considered separate sports/programs and do not count against one another.
 - b. Players MUST be removed from their current roster to be added to another team.
 - c. Players will be eligible to Guest Play based upon the Guest Player Rules
2. If a player is REMOVED from a roster, they are not eligible to be added back to that team for 30 days.

Frozen Roster Rules

1. After being Frozen, a team will have a limited number of roster moves available:
 - a. Each team with a Frozen Roster will have 3 Player Additions to use for the duration of the season
 - b. Each team with a Frozen Roster will have 3 Player Removals for the for the duration of the season
2. Once a player that gets removed from a Frozen/Qualified roster she may not return to that team for the remainder of the season.
3. Frozen teams will be permitted to use Guest Players during allowable events.
4. Frozen teams will not be allowed to add a player that was rostered on or after March 1 on a higher division team.
 - a. Players will be evaluated based upon the class of the team when they were dropped from their team. If a team gets reclassified down and then removed, they will be considered at the age/class the team was when they were removed.
 - b. If a player is dropped from a roster and the team subsequently gets reclassified, the player will be considered at the age/class the team was when they were removed.
